Real STL signs annual development agreement with ISL Futbol

FOR IMMEDIATE RELEASE

St. Louis, Missouri – Real STL announces annual affiliation with ISL Futbol, Official Partner of FC Barcelona and the Former Player’s Association in the United States. The partnership covers all aspects of Real STL from the U6’s up to the U18’s.

By forming this relationship Real STL is making great strides to aid development at the club. Real STL will have full access to all the FC Barcelona activities the year around. Each one of the programs will have one main focus, youth development.

Already a well-established club, Real STL is now the first club in the state of Missouri to affiliate with ISL Futbol. Also, Real STL is the only soccer club in St. Louis to has exclusive access to the FC Barcelona activities.

“ISL Futbol is looking forward to making things happen with Real STL. They share the same values that ISL Futbol implement. The emphasis on true player development and the education of the values through soccer are the keys to ensure the players takes the most from the coaches and this beautiful game. We look forward to a prosperous, ongoing relationship over the coming years.” said Alex Isern, Co-Founder of ISL Futbol.

"Real STL Soccer Club is extremely thrilled to be the first club in Missouri to be affiliated with ISL Futbol. To have the ability to work with such a powerful soccer organization is an honor. Real STL members and players all over Missouri will have the opportunity to experience the best training they have gotten all year long at the FCB Escola Camp! Looking forward to this years program and many more to come." said Nacho Novas, Executive Director at Real STL Soccer Club.
